

INTRODUCTION

Gia Levé, a seeker and self-inventor hailing from the vibrant landscapes of New Zealand, is a California-based singer-songwriter who embarked on a transformative journey of self-discovery, leading her to uncover her truest passion in music. Her debut album, "A Phoenix Rises," due for release on September 15th, 2023, is a testament to her artistic evolution, blending genres and defying labels while delivering messages of self-empowerment and love.

MUSIC

a Phoenix Rises Album - September, 15th 2020

BIOGRAPHY

Her first three original songs Hold Me Again, Never Lonely and Breathe with Me were co-written with the Brothers Koren and charted #3 & #4 on iTunes Singer/songwriter charts. Four time Grammy award-winning producer, Bruce Lowe, worked on her arrangements. She's currently collaborating with songwriters internationally and notably co-wrote with Jeff Franzel, a seasoned Billboard hit maker with Gonna Rescue Myself and Back to the Innocence while being featured as a pianist on Hear Me. I aim to inspire others to find their own transformative journeys, no matter where they are in life." As the release date of "A Phoenix Rises" approaches, the world eagerly awaits to immerse themselves in Gia's enchanting melodies and uplifting messages.
